

Oregon Society for Respiratory Care

2019 OSRC BOD Minutes

Friday, October 11, 2019

10:00am – 14:00pm

Good Samaritan Regional Medical Center
3600 SW Samaritan Dr, Corvallis, OR 97330

DOB Attendees: Renee Angstrom, Sascha Christian, Cathy Melero, Manya Kanavalov, Rachael Sackett

Director Attendees: Renee Angstrom, Sascha Christian, Cath Melero, Rachael Sackett, Manya Kanavalov, Jackie Williams, Chris Galer, Travis Chagnon, Nancy Lapka, Norm Kerr

Chair Attendees: Leeann Forsythe, Troy Wilder

Attendees: Mike Gilinsky

Students: No Students present

Absent: Dennis Williams, Rachael Courtain, Jeff Pardy, Tony Garberg

Time	Topic	Presenter
10:00-10:05	Welcome, Introduction and Roll Call	Called to Order by President Renee. Attendance taken and email addresses updated.
10:05-10:10	Approval of Old Minutes	June Board Minutes emailed to board members on July 16 th and September 17 th . Renee emailed corrections to Rachael. Corrections made. June Minutes approved and to be sent to webmaster to be posted on OSRC website.

New Business

10:10-10:15	Update on Student involvement Upcoming Board position opening	No students present at meeting due to being in clinicals at this time. Leeann created a g-mail account for the students to track donations and the ability to stay updated. Thank you Leeann! President Elect Secretary Northeast and Central 1 Director
-------------	--	---

Oregon Society for Respiratory Care

	<p>Bylaws Update</p>	<p>Norm to Retire, looking for a volunteer to cover Eastern Director until term ends.</p> <p>Renee to send out an email of the positions opening, which will go into effect in April of 2020 and 2021.</p> <p>Renee submitted changes to the Bylaws including the annual business meeting dates. Changes will be approved at next New Orleans Conference. Renee was able to change the OSRC Conference times required from the AARC.</p>
<p>10:15-10:35</p>	<p>2020 Conference Committee Discussion</p> <ol style="list-style-type: none"> 1. Zoom Meetings 2. Manya: Food 3. Jackie: Speakers 4. Troy/Tony: Vendors and CEU notification 5. Sascha, Rachael S. and Rachael C: Flyers, Save the date Cards, Booklet 	<ol style="list-style-type: none"> 1. Sascha discussed the Zoom meetings. The first one was successful, roles defined. Not all committee members received email for the second meeting. Sascha will use a different email address to see if that is the problem. 2. To be discussed at next board meeting 3. Jackie has 12 speakers but waiting for confirmation. IPV do be done by Jeff. The 13th speaker will be Renee presenting the scholarship winners and introducing the board members. See VP report for list of speakers. 4. Vendor lineup is coming along. More information at next board meeting. 5. Flyers and Booklet waiting for final Speaker line-up. Example of Save the Date Card presented to Board. Board made suggestions for card. Sascha and Rachael to make changes. The cost of 2000 cards is about \$150 but stamps will be over \$550. Rachael to look into emailing out invitations' vs mailing cards. Renee discussed sending out an invite that connects to a person's Outlook calendar. Renee suggested a test within the group.

Oregon Society for Respiratory Care

	<p>6. Rachael S.: HOTELS</p>	<p>Goal to mail out cards by December. Jackie pointed out that sending out mass emails would be Spammed. There is a marketing program for a fee that does mass emails which is necessary for advertising the conference. Rachael S has an updated RT and Sleep tech address from OHL. Flyers will be mailed out in February to Hospitals listing speaker information.</p> <p>6. Holiday Inn Express & Suites located in Keizer Station, with 20 rooms reserved. Best Western Pacific Inn located in Salem, 15 rooms reserved. Info to be forwarded to Renee and Manya for website updating</p>
<p>10:35-10:40</p>	<p>Website update</p> <p>Discussion of Registration and Raffle</p>	<p>Manya will be updating the links to Cvent.</p> <p>Manya and Renee to contact the webmaster for updating needs on the OSRC website.</p> <p>How do we encourage early registration? Ideas from group included: offering free raffle tickets to the first 50 people that register, or register before said date, or pull a basket for an early bird registration raffle.</p> <p>Nancy suggested splitting raffle prizes for day one and day two, because there wasn't much left that people wanted on day two. The best prizes were taken on day one. Group agreed to idea.</p> <p>Travis suggested to give away one raffle ticket with registration day and encourage them to buy more tickets.</p> <p>Renee discussed figuring out what is the "early registration." Renee stated that the early registration date will be discussed at the end of meeting. Renee and Manya</p>

Oregon Society for Respiratory Care

		discussed maybe January 2 nd , which would be on the Save the Date Card.
10:40-11:00	Senior Delegate Report	<p>Manya reported on the AARC Delegates conference. The lectures include how to increase membership, and minimal education level required.</p> <p>Bootcamp was a topic at the conference, in that the President Elect should not attend, instead other board members should go. Renee suggested maybe the Vice President.</p> <p>See Board Report for more information</p>
11:00-11:05	Next AARC Conference	Jackie and Manya to go to the next conference in New Orleans. Others can go for a \$75 fee for no CEUs.
11:05-11:10	Break	
11:10-11:15	Treasure Report	<p>Cathy requested board approval to pay the deposit for the Keizer Civic Center reservation. Renee approved.</p> <p>Seaside Civic & Convention Center already cashed the deposit for 2021.</p> <p>Rachael will provide estimated costs for printing “Save the Date cards” and postage.</p> <p>See Treasure Report</p>
11:15-11:18	Eastern Report	See Norm’s Report
11:18-11:20	Breathe Act	Jackie informed the board the Breathe Act was passed in the house. Marking in the Senate will be on AARC website for review and voting.
11:20-11:30	Northwest Report	Travis reported that the OHSU staff and management are interested in attending the

Oregon Society for Respiratory Care

		OSRC meetings. Leeann to email Travis the managers email list. See Report
11:30-11:36	Professional emails	<p>Jackie requested the board and chair members have a professional email address. The email address would be a better representation of our organization, which may increase communication responses from managers.</p> <p>Renee stated that she has looked into it and had trouble creating emails that connect to the OSRC website and emails would not be accessible.</p> <p>Norm suggested our web master might be able to create emails for the board (...@osrcpnw.org)</p> <p>Renee will look into the possibility.</p>
11:36-11:45	Inquiry regarding OSRC website educational letters	Renee received an email from a college teacher asking if the board accepts educational letter submissions, which could be uploaded on the OSRC website. Norm and Renee concluded that the website is not setup such a request at this time.
11:45-11:50	Central-Jackie	Jackie has been focusing on obtaining speakers for the conference and requesting help with Central management contact. Mike and Chris offered to help out with quarterly contacts. Jackie will stay on as Central Director.
11:50-12:15	Southern Director Report	Jeff's report read by Mike
12:15-12:45	Lunch	Provided by Good Samaritan Medical Center. Thank you, Cathy for setting it up.

Oregon Society for Respiratory Care

12:45-12:46	Medical Director Introduction	Cathy introduced Dr. Griffith Liang, Corvallis Clinic, who will be our Medical Director. Welcome!
12:46-12:55	PACT	<p>Manya talked about the “Go to the Hill” legislation to be presented on May 4th & 5th. There is will be meeting updates next month.</p> <p>OR Legislation will be addressing the vaping situation, a 30-day ban on the sale of flavor vaping products. OHA and OLCC are discussing the vaping situation.</p> <p>Renee asked Jackie if a speaker could lecture on vaping. Jackie will see if any speakers have knowledge on the subject.</p> <p>Dr. Liang talked about vape lung injuries that are developing but the severity of the injuries is dependent person to person. He stated “there is not one thing that links them for a cause,” “it is hard to study because people load their own vapers.”</p>
12:55-13:00	Membership	Report read by Sascha, see report
13:00-13:02	<p>Discounts for Master degrees</p> <p>Advanced Practice Respiratory Therapist Degree</p>	<p>Mike informed the board there are tuition discounts for master degrees. Jeff has more information.</p> <p>Mike discussed the APRT program available through The OHIO State University. The APRT works under a physician, and is the equivalent to a PA and NP.</p>
13:02-13:05	Educational Report	Report read by Nancy, See Report
13:05-13:10	Roundtable	Manya asked who had the boards equipment. Travis and Dennis have the equipment.

Oregon Society for Respiratory Care

	Projector use at Keizer Center	<p>Jackie stated the speakers did not object to emailing their presentations but they haven't sent them yet either.</p> <p>Projector fee is \$50 total. Renee approved to pay the fee and use Keizer's projectors.</p> <p>Cathy read the cost report from the Keizer Center, there was a stage fee, projector and screen fee. Manya stated that the Keizer Center did not nickel and dime "us" like other facilities.</p>
13:10	Adjourn	Renee called to adjourn meeting.
	<p>Board Reports</p> <ol style="list-style-type: none"> 1. President 2. Vice President 3. Treasurer 4. Delegates 5. Educational

Report:

Columbia Memorial:

Lori Davis is the manager
No answer, left a message

Tuality Community:

18 staff, 3 day 2 noc, starting next year, around May, becoming level 2 NICU and accepting peds patients
Per diem position currently, once getting closer to expanding, more openings will be available.

Willamette Valley Medical:

Smaller hospital currently staffing 2 RTs during nights and weekends, 3RTs during day.
1 part time opening at this time.
No questions or comments for the board.

Prov Newberg:

No answer, left a message

Prov St V:

Explained what the OSRC is, starting heart program in the next year or two, and will be needing more RTs when that time comes.
3 pending, no current openings

Prov Portland:

No answer, left a message
Could not understand his name in his voicemail

Oregon Society for Respiratory Care

Prov Milwaukie:

No answer, left a message

OHSU:

130 RTs, level 1 trauma, 6 different ICUs NICU/PICU, adult/neo/floats, DC rt, panda team (10rt)
1 float noc 1 peds noc

Wanting to be more involved with the board, stated that an old manager was involved with board at one point and since then OHSU RT has lost connection with the board. Told him, that I would be the connection for them. But they are willing to have someone be a part of the BOD if able.

VA Portland:

No answer phone kept ringing

Prov Seaside:

Benga is going to take over the hospital, he is the Regional Director of Providence
She did not know what the OSRC is, and was upset about me using a personal email instead of one through the OSRC, and is going to withhold sending me his information.

Oregon Society for Respiratory Care

Board Report

Committee of Region: Eastern Region

Board Member/Chair (Co-Chair): Norman Kerr RRT

Date: October 9, 2019

Recommendations

Informational

Educational

Report: Queried Eastern Region RT departments with little response.

Rob Maranville from St. Anthony Hospital would like information regarding the AARC's current activity on the Breathe Act, and what the status of the Act is at this point.

He has recently written a grant application for help in funding St. Anthony's outreach to home-bound patients in their service area.

DeeDee Tanner of Grande Ronde Hospital reports things are going well at GRH although they have been very busy. Their Cardiology service is up and running again after a lengthy search for another provider. She has just filled her last open position so barring any unforeseen circumstances, they will be fully staffed.

No additional comments or information from other hospitals in the region.

Recommendations: Locate information regarding the Breathe Act and summarize for Rob M.

Date: 10/9/19

Recommendations

Informational

Educational

Report: Sky Lakes Medical Manager Jim Harris:

- **Recently hired FTE with only per-diem positions opened at this time.**
- **Pulmonary rehab doing better than projected as a fairly newer program. Now considering cardiac rehab as well to be ran by respiratory therapist.**
- **Purchased quite a few V-60 BiPAP machines beginning to be the mainstay of care for augmenting ventilation versus invasive ventilation when possibly avoidable. Still using the PB 840's with low hours on them and without plans to update at this time.**
- **Changing humidifiers from the Concha to Fisher-Payckel systems.**
- **5 story rural health building that is a joint venture is almost completed. The skin of the building is 90% complete at this time.**

Recommendations: None at this time.

OSRC Action: None requested at this time.

Committee of Region: Southern Oregon Representative

Board Member/Chair (Co-Chair): Jeff Parady MBA RRT

Date: 10/9/19

Recommendations Informational Educational

Report: Rogue Regional Medical Center: Staff Member Jeff Parady

- **2 FTE needed.** The department has been able to free themselves from travelers for the first time in the past three years.
- **All PB 840's has retired and have been acquiring the latest generation of Avea ventilators fleet.** The department has also acquired 4 additional VDR that is now commonly used.
- **Getting all new PFT equipment (all Asante Hospitals).**
- **The department has just received a 6% pay increase for COLA aside from annual evaluations.**
- **Annual Alec Elements and evaluations are beginning to be currently evaluated.**
- **The Department has begun ICU primaries with many staff members**
- **acquiring the ACCS credentials by the NBRC.**
- **The new parking garage that will service the upcoming new tower is getting closer to being completed.**

Recommendations: None at this time.

OSRC Action: None requested at this time.

Oregon Society for Respiratory Care

Board Report

Committee of Region: Southern Oregon Representative

Board Member/Chair (Co-Chair): Jeff Pardy MBA RRT

Date: 10/9/19

Recommendations Informational Educational

Report: Three Rivers (Grants Pass) Asante Hospital: Department Supervisor Mike Latusick

- They have retired 9 Servo I ventilators after 15 years of service and are up and running with 9 newest generation AVEA vents.
- They now have a new LTV 1200 MRI compatible transport vent free of charge from Vyaire and hope to have it up and running soon.
- The ICU is expanding with a 6 bed IMCU (intermediate care unit) step down.
- They are about 3 months into our ER expansion project. They are increasing their currently 19 beds to 30 beds. With anticipated completed date October 2020.
- The accreditation inspection (DNV) went extremely well. ATRMC CEO Win Howard reports it was the best inspection he has been involved within his 13 years.
- The Lab and ABG accreditation inspection (CAP) went equally as well. ATRMC RT ABG lab was praised for its compliance and organization.
- The facility will soon be having intensivists seeing patients in ICU.
- 2020 are hoping to add 2 V-30 NIV units to our current 5 V-60's.
- Overnight oximetry has recently semi-retired our Masimo RAD-87 oximeters and will be using newly acquired Masimo Radical 7 with full ROOT monitors.
- Cardiopulmonary has added a Cardiac/Respiratory Navigator to staff to assist in education and discharge/home needs.
- A recent market value study was completed looking directly at Asante RT. This study resulted in a substantial % pay increase for RT. Probably similar at RRM
- November 2019 we will be 'going live' with ZEBRA phones. Eliminating current ASCOM phones and RT pagers (hopefully).
- Asante is again a Top 15 health system in the nation for the seventh consecutive year. The only health system ahead of us with eight is Mayo Clinic
